Notes:

1. *The ISSF General Regulations (Article 7.5.4.) establish that in the ISSF Championships, other than World Championships and World Championships Juniors, each nation can enter a maximum of five (5) athletes in individual events but only three (3) of them can be registered to compete in the Final for the medals. The other two (2) athletes can only compete for the ranking points. The Coach/ Team leader prior to the competition start must indicate these three (3) athletes.*
2. *In case one of these "other two (2) athletes" or both of them are positioned after Qualification among the qualified athletes for the final, then this (these) athlete(s) will be ranked immediately after the finalists and will receive the points from the first place out of the final (Eg. In case of 8 finalists the athlete(s) pushed out of the final according to Article 7.5.4 ISSF General Regulations will be ranked and will receive the points for the 9th place). The available place(s) in the Final should be allocated to the next top ranked athlete(s) according to the Qualification ranking among those indicated eligible in accordance with Article 7.5.4 ISSF General Regulations by coach/ team leader prior to start of competition.*
3. *If one or more athlete(s) eligible for the final have the same result than the last qualified athlete for the final, then they will receive the same amount of ranking points for the first place out of the final. For example, in case of 8 finalists, the athlete(s) that have the same score as the 8th placed athlete and do not proceed into the final will receive the points for the 9th place. This distribution also applies in case a shoot-off is required by the rules to decide the athlete(s) that will qualify for the final. The position will be distributed based on the result of the shoot-off. All athlete(s) not qualified to participate in the final after the shoot-off will receive the same amount of ranking points of the first position out of the final. For example, in case of 8 finalists the athlete(s) that lose the shoot-off and don't get in the final will receive the points for the 9th place.*
