Dear Friends,

Greetings from Asian Shooting Confederation (ASC) Headquarters, Kuwait.

In view of the recent changes in ISSF Ranking System and introduction of new competition titles in ASC, the Executive Committee of ASC, on the recommendation of Technical Committee, approved to restructure the "Asian Ranking System".

Asian athletes will be able to earn Ranking Points in Asian Competitions only, which are Asian Games, Asian Youth Games, Asian Shooting Championships, Asian Rifle/Pistol Cup, Asian Shotgun Cup and Asian Grand Prix.

Moreover, Asian Records will be recognised in all events in Asian Games, Asian Youth Games, Asian Shooting Championships, Asian Rifle/Pistol Cup, Asian Shotgun Cup and Asian Grand Prix, if a minimum of fifteen (15) competitors participate in individual events and five (5) countries in team events

Similarly, Junior Asian Records will be recognised in all junior events in Asian Games, Asian Youth Games, Asian Shooting Championships, Asian Rifle/Pistol Cup, Asian Shotgun Cup and Asian Grand Prix, if a minimum of ten (10) competitors participate in individual events and three (3) teams in team events.

Based on the foregoing, the full system will be implemented in 2022 and will be released soon. Also, Article 16.2 and 16.3 of ASC General Regulations has been amended accordingly.

Yours Sincerely,

Eng. Duaij AlOtaibi
Secretary General
Asian Shooting Confederation
