Dear Friends,

As per the strategic plan of the Asian Shooting Confederation (ASC) and the outcome of ASC Survey to develop the shooting sport in Asia, we would like to inform all ASC member federations about the organization of two upcoming Asian Youth Training & Coaching Camps (Air Rifle discipline) that will be delivered in the English language and will serve two Asian zones, which are South Asia and South-East Asia. The ASC Camps are as follow:

-	Arrival Date	Dep. Date	Venue	Instructor
11 th ASC Camp	20-Jun-2023	28-Jun-2023	Colombo, Sri Lanka	Mr. Deepak K. Dubey (IND)
12 th ASC Camp	01-Jul-2023	11-Jul-2023	Jakarta, Indonesia	Mr. Deepak K. Dubey (IND)

The purpose of the mentioned ASC Camps is to develop Youth and Junior athletes as well as national coaches. The ASC would like to invite 15 member federations that are outside South and South-East Asian zones to register a total of two participants (01 athlete & 01 coach or 02 athletes or 02 coaches) in one of the above Camps. The deadline for registration is **25 May 2023**.

Please note, the total number of participants is limited to **35** only for each camp. Additionally, we would like to stress the following registration conditions:

- The registration will be on a first come first served basis.
- The member federation shall be chosen for one of the camps not both.
- The registration will close upon reaching the limit of 35 participants, which is the capacity for each course.

The hotel accommodation, local transportation, meals, ammunition, and training expenses for a total of two participants from your federation will be covered by ASC.

The Asian Youth Training & Coaching Camps will include the following:

1. Practical Training, Theoretical & Technical courses for coaches and shooters.
2. Anti-doping Workshop for Coaches and shooters.
