

The 19th Asian Games Ammunition Purchase Agreement

During the shooting competition of the 19th Asian Games, according to the amount of ammunitions and the number of participants in each event, the Hangzhou Asian Games Organizing Committee has prepared certain amount of ammunitions for purchase. According to the quantity of various types of ammunitions purchased by HAGOC and the entry data of each NOC, the allocating principle of ammunitions is formulated as follows:

1. Only a limited amount of ammunitions will be provided with teams participating in respective events (e.g., teams entered for the air rifle & pistol events could purchase permitted amount of air rifle & pistol bullets as per the number of entries).
2. Due to the limited amount of ammunitions provided by HAGOC, the purchase quantity will be designated according to the entry number of each NOC in each **EVENT** (see the table below) while stocks last. The predetermined brand and model are not supported.
