All ASC Member Federations/Associations

Dear Colleagues,

We extend our sincere greetings to all esteemed members of Asian Shooting Confederation.

To ensure that ASC member federations continue to uphold the highest standard of professionalism, it is important for our Judges, Referees and Technical personnel to stay updated with the latest developments, rules, and techniques. Holding regular ISSF Judges/Referee courses will contribute to the enhancement of our collective expertise and the overall improvement of our technical & judging standards.

We highly encourage all Asian federations to organize ISSF Judges and Referee courses and collaborate with their neighboring federations to get benefitted.

By investing in the continuous education of our judges, we not only elevate the quality of our competitions, demonstrate our commitment to excellence but also contribute to the overall development of our beloved shooting sport.

We look forward to the positive impact this will have on the growth and success of our member federations.

With Best Regards,

Eng. Duaij AlOtaibi
Secretary General
Asian Shooting Confederation
