**Pistol Coach / Instructor**

## INTRODUCTION

---

Hello,

My name is Gennady Solodovnikov, 64 year old pistol coach with extensive international experience.

I love shooting and I am convinced that Pistol is the most interesting shooting discipline. If you agree with me - welcome to this camp. We will be able to find common ground.

Pistol Shooting became my passion when I was 13. I have collected many awards as an athlete and coach. My shooting career has made me believe that the only indispensable talents in pistol shooting are motivation and workability. Welcome to discuss the shortest ways to your accomplishments.

Sincerely

Gennady Solodovnikov
