Circular No. 483
Date: 09th September 2026

ALL ASC MEMBER FEDERATIONS/ASSOCIATIONS

SUB.: ISSF RULE 6.12.5.2

Dear Friends,

We extend our sincere greetings and warm regards to all esteemed members of the Asian Shooting Confederation (ASC).

With reference to the ISSF Rule 6.12.5.2, starting from the ISSF World Championship Doha – 2026, only coaches with a valid A or B ISSF Coach License and registered as Team Officials can be present on the Field of Play during PET, Eliminations and Qualification and permitted to be seated on the Final Range during Finals.

The ASC has coordinated with the ISSF and received an assurance from the ISSF Secretary General that every Asian member federation will have at least one coach authorized to support its athletes on the Field of Play under the new ISSF Rule 6.12.5.2.

If any Asian federation does not have a qualified coach to support its athletes under the new ISSF Rule, the President or Secretary General of the concerned federation can submit a request to the ISSF identifying the coach. The coach should demonstrate an adequate knowledge of the ISSF Rules and sufficient command of the English language. The ISSF Academy will review the request and facilitate the appropriate licensing process for that coach.

ASC will ensure that Asian athletes, coaches and member federations are not left behind due to the implementation of the ISSF Rule 6.12.5.2.
