*The President
The Secretary General*

***To ISSF Continental Confederations
and National Member Federations***

Dear ISSF Members,

RE: Town Hall Sessions – Transfer of Shooting Para Sport from IPC to ISSF

Following the successful Town Hall sessions held in May on the proposed transfer of Shooting Para Sport from the IPC to the ISSF, we would like to offer all ISSF Member Federations a further opportunity to raise any questions that may have arisen since then.

We also warmly invite you to suggest topics that you would like to see addressed during the sessions. Please circulate this invitation to relevant colleagues within your federation, including Shooting Para Sport leadership, high-performance staff, technical officials, and event organisers.

Town Hall Sessions (online) – Wednesday 28 October 2026

Session 1 – 10:00 – 11:00 (CET)

The ISSF remains committed to ensuring that this process is conducted in a transparent and inclusive manner, providing Member Federations with meaningful opportunities to ask questions, share their views, and contribute to a smooth transition and successful integration that benefits Shooting Para Sport athletes and the wider shooting sport community.

As you are aware, the proposed transfer is included on the agenda of the ISSF General Assembly 2026. In addition, all delegates will have the opportunity to participate in a dedicated workshop on the transfer of Shooting Para Sport to the ISSF on **12 December 2026 in Rome**, immediately prior to the General Assembly.

We look forward to welcoming you online and thank you for your continued engagement and cooperation throughout this important process.

Yours sincerely,

Munich, 21 October 2026
